

# Corey Coleman

(310) 648-9724 | [coreycoleman1339@gmail.com](mailto:coreycoleman1339@gmail.com) | [GitHub](#) | [Personal Website](#)

## TECHNICAL SKILLS

---

**Languages:** JavaScript (ES6), HTML/CSS

**Libraries** React.js, React Native, Redux Toolkit, React Native Reanimated, Bootstrap, Axios, Fetch

## PROJECTS

---

**News App** | *Javascript, React Native, Redux Toolkit, Reanimated*

[GitHub](#)

- Designed and developed a news application with a focus on user experience interface
- Integrated an HTTP REST API for retrieving live articles from the web and serving them to the application
- Employed the Reanimated library to provide seamless animations and intuitive interactions

**Movie Swiper** | *Javascript, React Native, Redux Toolkit*

[GitHub](#)

- Built a sleek Tinder-style movie discovery application
- Implemented API fetching to present movie details, such as ratings, trailers, pictures, and similar movies
- Used Redux Toolkit to manage the application's state effectively

**Weather App** | *React Native, Node.js, Express, Heroku*

[GitHub](#)

- Created a weather application that displays current weather data based on the user's location or search entry
- Leveraged modern React hooks and context to write more concise and optimized code
- Establish up a Heroku back-end server to handle API requests and deliver data to the front-end

**The Green Guide Blog** | *HTML/CSS, jQuery, Bootstrap*

[Live](#) | [GitHub](#)

- Developed an interactive website utilizing Bootstrap with user experience as a top priority
- Implemented a responsive web page using a mobile-first design approach, resulting in improved accessibility and user experience across multiple devices
- Utilized JQuery to effectively manipulate Document Object Model (DOM) elements.

## WORK EXPERIENCE

---

**Shift Supervisor**

Aug. 2018 – Present

*Starbucks*

*Lomita, CA*

- Collaborated alongside management to set store operations goals and communicate them to the team
- Effectively managed a team of up to 6 baristas per shift to deliver exceptional customer service and drive sales growth
- Prioritized and delegated tasks to team to optimize efficiency and meet store goals resulting in a 15% increase in customer satisfaction scores and a 10% increase in daily sales revenue
- Evaluated and resolved complex problems in real-time to ensure the best outcome

**Coding Instructor**

Feb. 2014 - Aug. 2016

*United Wilmington Youth Foundation*

*Wilmington, CA*

- Prepared and executed a weekly program for a cohort of 20 students with the purpose of introducing them to fundamental concepts in computer science
- Fostered hands-on experience for students by exploring innovative methods for teaching more complex programming concepts
- Hosted successful outreach programs to generate excitement and interest in the program resulting in a 20% increase in student enrollment

## EDUCATION

---

**Nucamp Bootcamp**

*Certification for Front End Web and Mobile App Development*

*Oct. 2021 – Jan 2022*

**Los Angeles Harbor College**

*Associates in Liberal Arts: Mathematics and Sciences*

*Aug. 2014 – May 2016*
